**Index to Kym Thompson's – A history of the Aboriginal people of East Gippsland: a report prepared for the Land Conservation Council, Victoria. Melbourne: Land Conservation Council, 1985.**

Index compiled by Jane Purton  
(ANZSI Index Series; no.5)

Note: Page numbers followed by 'n' indicate notes

## A

- abalone (shellfish), 76
- Aboriginal bands, 42, 48, 49, 50, 56
  - pre-history, 88
- Aboriginal birth rate, 33
  - affected by the kidnap of women and disease, 16, 17
- Aboriginal children
  - denied access to secret information, 9, 58
  - removed from families and placed in Lake Tyers, 34–35
  - and Save the Children Fund
- Aboriginal clans, 30, 43, 56
- Aboriginal culture
  - see also* Aboriginal mythology
  - cultural allegiances *see* Aboriginal tribes
  - cultural programs, 68, 105
  - impact of white invasion, 3, 20, 30, 31–32, 37, 101
  - see also* Aboriginal warfare
- Aboriginal culture areas, 43, 44, 48
- Aboriginal ethnography, 5–6
- Aboriginal families, 42, 56
  - employed picking crops, 63, 64
- Aboriginal foods
  - see also* animals; fish; plant foods; reptiles; shellfish
  - calories in, 84
  - calories incorrectly calculated, 117 n23
  - comparison of meat weights, 113 n5, 113 n7, 116 n16
- Aboriginal history, 5–6
  - see also* Aboriginal mythology; archaeology; the Dreaming
  - definition of, 8
  - lack of records between 1798–1838, 15
  - loss of interest in by young Koories, 12
  - sources
    - biased towards Lake Tyers, 4, 6, 29
    - distort ethnographic studies, 5–6
- Aboriginal hordes, 42, 43
- Aboriginal hostility
  - between groups *see* Aboriginal warfare
  - towards whites, 19, 20, 21–23, 24–25
- Aboriginal housing, 64, 67–68
  - erected in towns, 65
  - rehousing policy a disaster, 65–66
  - survey reveals sub-standard dwellings, 67
- Aboriginal languages, 47
- Aboriginal linguistic units, 42, 43
- Aboriginal marriages
  - affected by the shortage of women, 16, 30, 58
  - arranged at inter-tribal gatherings, 45
  - arranged by Bulmer, 30, 36
  - by elopement, 30, 58
  - subject to Board approval, 35
- Aboriginal men
  - hunting role, 53, 56
  - initiation ceremonies, 9–10, 58
  - religion and the exclusion of women, 11
- Aboriginal mythology, 8–12
  - see also* Aboriginal spirituality; creation myths; the Dreaming
  - exclusion of women from secret ceremonies, 11
  - foretold the conflict between groups, 30
  - knowledge of dying out, 12
  - and the Nargun, 107
  - 'outside' versions for women, children and whites, 9
- Aboriginal population, East Gippsland, 13, 24
  - in the 1980s, 3, 67
  - pre-history, 88–89
  - reduced by disease, 18–19
  - reduced by infanticide, 32
  - reduced by set up of Lake Tyers, 36
  - before white settlement, 3, 60–61
- Aboriginal population, Victoria, 33, 60
- Aboriginal religion *see* Aboriginal spirituality
- Aboriginal resistance to settlers *see* Aboriginal hostility
- Aboriginal sites of significance
  - see also* archaeological sites of significance
  - assessment, 102, 103, 107
  - management and protection
    - hindered by distrust of whites, 103–104, 109–110
    - land issues, 103, 104–105, 109, 110–111
    - needs to involve and benefit Aborigines, 109, 110–111
- types
  - burial, 103
  - educational, 103
  - historical, 101–102, 107
  - massacre, 26, 27–28, 31, 101, 108, 109
  - political, 102
  - sacred, 101, 104
  - symbolic, 102
  - traditional, 101, 104
- Aboriginal society
  - impact of white invasion, 3, 31
  - see also* Aboriginal warfare
  - organisation of *see* Aboriginal tribes

# Index

---

- Aboriginal spirituality  
*see also* Aboriginal mythology; creation myths; the Dreaming  
effect of white settlement on, 18, 31–32  
vital to social order, 59
- Aboriginal tribes  
*see also* specific tribes, eg. Gunnai  
boundaries, 42, 48, 50  
characteristics of social organisation, 51–52  
concept of, 41–42, 45, 46  
conflict *see* Aboriginal warfare; Gunnai tribe  
cultural allegiances, 43  
*see also* specific tribes  
division of labour, 53, 56  
group membership criteria, 42, 43  
inter-tribal gatherings, 45, 52  
land rights, 42, 57  
subdivisions, 30, 42, 43, 44, 48, 49, 50, 56
- Aboriginal warfare, 29  
cannibalism, 59–60  
due to the effect of introduced diseases, 17, 18, 19, 20, 23, 30, 58, 59  
due to the influx of tribes from other areas, 30–31, 45, 59  
encouraged by white settlers, 31  
forces closure of Buchan mission station, 34  
over hunting territories, 19, 23  
over women, 16, 17, 18, 20, 30, 31, 58  
between Twofold Bay groups, 23  
weapons, 55
- Aboriginal Welfare Association, 64
- Aboriginal women  
*see also* Aboriginal marriages  
denied access to secret information, 9, 11, 58  
hunting role, 56  
kidnapped by sealers, 16, 18, 20  
kidnapped by tribal enemies, 29, 30, 31, 58  
make bags for hunting, 53  
permitted to use fish hooks, 90  
recipients of Jeraeil secrets, 10  
rendered sterile by venereal disease, 16–17, 32  
secret sites, 104  
and the tundun, 11
- Aborigines  
*see also* Aborigines in specific areas  
definition of, 3, 5, 38, 64  
demand a role in archaeology, 103  
as Native Police, 26, 27, 31  
prefer to be called Koories, 3  
regional sense of identity, 66, 67  
suspicion of and antipathy to all things white, 66  
view archaeological sites as symbols of identity and their relationship with whites, 103  
young Koories losing interest in the past, 12
- Aborigines, Bendoc area, arrive at Lake Tyers, 36
- Aborigines, Central Gippsland, hostile to settlers, 24–25
- Aborigines, Delegate area, arrive at Lake Tyers, 36
- Aborigines, East Gippsland  
*see also* Aboriginal tribes; Aborigines, Lake Tyers  
allegedly kidnap white women, 25–28  
allegedly kill survivors of shipwrecked *Shaw*, 20  
becoming aware of archaeology, 102  
first contact with whites, 13–15, 20  
forbears from other areas, 4  
forced into missions by policy of segregation, 3, 5, 34–35  
hostile to settlers, 19, 20, 21–23  
impact of introduced diseases, 15, 16–17, 21, 32  
leave the bush for the fringes of white settlement, 32  
living conditions in towns, 63–64  
lose their children for their 'protection', 34–35  
meet Bass on the Ninety Mile Beach, 14  
physical appearance, 13  
practise infanticide, 32  
pre-history *see* archaeology  
saved from smallpox by isolation, 19, 60  
settle in Newmerella and Orbost, 40  
sources of historical information, 7  
struggle for equality, 68  
suffer from 'a fatal melancholy', 32–33
- Aborigines, Lake Tyers, 33–40  
*see also* Lake Tyers Aboriginal Trust; Lake Tyers mission  
alcohol abuse, 34  
become responsible for their own affairs, 66, 68  
conflict between tradition and white vices, 34  
culture threatened by Christian conversion, 37  
fighting between tribal groups, 34, 36  
forbidden to keep stock or grow crops, 37, 63  
hunting and fishing restricted, 38  
impact of eviction of half-castes, 38–40  
lose economic independence, 37–38  
marriages arranged by agreement, 30, 36  
move about for employment, 63, 65  
opium use, 32  
poorly prepared for rehousing, 65–66  
protest against the Board for the Protection of Aborigines, 37, 38, 39, 63  
relationship with John Bulmer, 34, 36  
rely on the Board for rations, 38, 63

- set up tribal council of elders, 36
  - withdraw all secondary students from school, 68
- Aborigines, Monaro tablelands
  - see also* Ngarigo tribe
  - brought by settlers to work as labourers, 24
  - labourers fight with local tribes, 30–31
  - victims of cannibalism, 59
- Aborigines, New South Wales south coast
  - see also* New South Wales south coast archaeological surveys
  - coastal and inland bands, 49
  - contact with East Gippsland groups, 13–14, 19
  - cultural allegiance with Ngarigo tribes, 48
  - disputes with East Gippsland groups over hunting territories, 19
  - employed picking crops, 63
- Aborigines, Phillip Island, wiped out by sealers, 17
- Aborigines Protection Act 1886
  - legislation to expel half-castes from missions, 38–39
- Aborigines, Twofold Bay
  - cultural allegiance with Bidawal tribes, 48
  - fighting between tribal groups, 23
- Aborigines Welfare Board
  - assimilation policy, 65
  - plan to close Lake Tyers thwarted, 65
  - rehousing policy a disaster, 65
  - replaced by Ministry of Aboriginal Affairs, Victoria, 66
  - replaces Board for the Protection of Aborigines, 64
- Aborigines, Westernport, disruption of by whites, 18
- Aborigines, Wilsons Promontory, disruption of by whites, 18
- alcohol abuse, 28, 31, 32, 34, 40, 64
- Anadara trapezia* (cockles), 80, 81, 82, 83, 84
- Anglican church
  - see also* Bulmer, John.; Lake Tyers mission
  - failure of mission at Buchan, 34
  - loses control of Lake Tyers mission, 62
- animals
  - see also* birds; fish; reptiles; specific species eg. koalas
  - burial pits for dingoes, 83
  - hunted for food
    - introduced species, 70, 72, 84
    - native species, 44, 52–55, 71, 72, 74, 77, 79, 80, 84
  - role in mythology, 9, 10, 11
- archaeological sites, 5–6, 107
  - camp sites by occupation period, 89–90
    - base camps, 76–77, 117 n29
    - temporary camps, 74, 76–77, 79, 85, 94, 117 n24, 117 n29
  - classification of types a problem, 75, 77
  - contents *see* middens; shell middens; specific sites, eg. Bottom Lake; stone scatter sites
  - economies practised, 71, 72, 73, 84, 86, 88, 89, 90, 118 n31
  - endangered by logging, 95, 97, 105, 107
  - erosion of, 69–70, 74
  - occupation dates *see* specific sites, eg Clinton Rocks
  - reflect prehistoric settlement patterns, 77, 78–79
  - relationship between sites, 72–73, 89–90, 93
  - significant sites *see* Aboriginal sites of significance; archaeological sites of significance
  - site analysis, 93
