The indexing project was coordinated by Mary Russell. All work was done on a pro bono basis. The following Australian and New Zealand indexers kindly indexed material for the index to the first 20 years: Maura Best, Fiona Corcoran, Alisa Dodge, Jane Douglas, Anne Irons, John Liddle, Max McMaster, Michael Ramsden, Cate Seymore-Jones, and Erna Van Zyl. The following indexers assisted with editing the indexes to various years: Alan Eddy and Ray Price. Max McMaster kindly edited members’ names. Michael Ramsden kindly prepared a thesaurus of subject terms. Members of the Melbourne Indexers, together with Hugh McMaster gave advice.

Please let Mary Russell know if you find any errors russellmf025@ozemail.com.au.
